V7 III RACER

The V7 II Racer confirms its equipment with black anodized aluminium parts which contrast with the ultra bright 22 litre chromium metal fuel tank. Special red paint for the frame, wheel hubs and swingarm inspired by the first V7 Sport range. The prestigious components include adjustable billet set-back footpegs, a lightened steering pin, fully adjustable Bitubo gas shock absorbers, single-seat Alcantara saddle and the leather belt personalised with the Moto Guzzi logo that adorns the top of the fuel tank.
