

POLARIS SPORTSMAN 570 EPS MILITARY TAN EDITION

For 2023, Polaris has announced a new Military Tan edition for its bestselling Sportsman 570 ATV lineup, ready for whatever your next mission may be.

Taking inspiration from Polaris’ tactical military vehicles that have redefined ultra-light mobility for military organisations around the world, the Sportsman 570 Military Tan edition features the same classic-yet-subtle Military Tan body paint finish – a colour exclusively available for Polaris customers in Europe, Middle East and Africa. Coupled with the accent colour springs in matte Titanium Metallic and 14-inch matte black aluminium wheels with 26-inch CST tyres, the Sportsman 570 EPS Military Tan edition has an agile, daring look with unquestionable style.
