DUKE 125 | 2024

The KTM 125 DUKE might only boast 125 cc, but rest assured - this machine is 125% DUKE! Built with the same NAKED ethos as its bigger brethren, the 2024 KTM 125 DUKE boasts an all-new, muscled-up attitude, complete with a fresh new frame, suspension package, LED lights, riding tech, and street-ripping, turn-gripping aggression.
