EXC-F 250 | 2024

The KTM 250 EXC-F has been the go-to package for serious weekend warriors and seasoned race champions for years - and for good reason. Class-leading handling, ample low-down torque, and confidence-building rideability make it easy to ride fast and to challenge all limits. For 2024, it's only gotten better, with an all-new frame, closed-cartridge suspension, and new bodywork - the only limit is the one you make for yourself.
