EXC-F 350 SIX DAYS | 2024

The first KTM bearing the SIX DAYS name tore onto the scene way back in 1996. Back then, there was nothing to beat the KTM 350 EXC for sheer versatility. Nearly 30 years later, the 2024 KTM 350 EXC-F SIX DAYS picks up the baton to continue that trend. With an all-new frame, closed-cartridge suspension, new bodywork, and a renewed ability to challenge for the win, the KTM 350 EXC-F SIX DAYS remains the one to beat.
