LONCIN
XWOLF 550 L

High quality at a competitive price! The LONCIN Xwolf 550 L features a 4x4 drivetrain and power steering as standard, ensuring confident handling across various types of terrain.

With a towing capacity of almost one tonne, this ATV is well suited for use with trailers and agricultural equipment.

Combining power, premium finishes, extensive equipment and LONCIN reliability, the Xwolf 550 L is designed for both everyday work and off-road adventures.

The ATV has T3B homologation and can be registered and used on public roads. A category B, TR1 or TR2 driving licence is required in Latvia.
