

MOTO GUZZI

V9 BOBBER

Moto Guzzi reinterprets the legendary Bobber style, essential and aggressive: the chromium plating leaves room for matt nuances, the shorter seat uncovers the fender and the high wheels underline the energy of a true Bobber. 850 cc transversal V engine, shaft drive transmission and steel frame: Moto Guzzi's essence rendered in a Bobber style. The precious steel fenders leave room for the huge wheels, which deserve to be shown off proudly. The steel tank is painted with a dark and matt colour, jazzed up by a chessboard graphic which underlines the V9 Bobber's athleticism. Euro 4 certification, ABS and traction control, for a safe ride. The reduced version of the V9 Bobber can be driven with an A2 type license.

Technical details

Dimensions (length / height / width):	2185 / 1160 / 840
Seat height / Ground clearance:	780 / 116
Weight:	199
Fuel tank capacity:	15
Engine:	90° V twin
Engine capacity cm³:	853
Engine power Zs (Kw) @ rpm:	55 (40.4) @ 6250
Engine torque @ rpm:	62 @ 3000
Cylinder / Cylinder diameter:	1 / 84 x 77
Stroke:	4
Transmission:	MT6
The front brake / The rear brake:	Brembo stainless steel floating disc Ø 320 mm, 4 piston calipers / Stainless steel fixed disk, Ø 260 mm, 2 piston calipers
Front wheel:	130/90/16
Rear wheel:	150/80/16
