

STARK VARG ALPHA 80 ZS

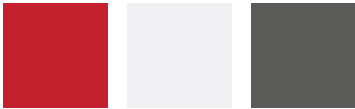

The VARG has been developed with a clear purpose, to show that electric technology is superior to gasoline by outperforming all traditional motocross models available.

It's more powerful, it's lightweight and has significantly less motor-inertia than any of the gas bikes, providing you with better handling and an enhanced riding sensation.

Distance - up to 6 h
Charging time - 1 to 2 h
Battery - 6kWh
